Loomis – 6 – 14, 53 yds.

#### Total Offense

Hayes Center – 330 yds.

Loomis – 221 yds.

#### Coaches Quote

“I thought we improved in several areas tonight against a very physical Loomis team. Offensively, we did a better job of executing our assignments. Defensively, we did a great job of holding our ground against Loomis’ quick backfield. There are several items that still need to improve; however, we I am pleased with the progress that was shown since last Friday.

- Scott Jorgensen
