#### Coaches Quote

“It is great to finally have our first game under our belts. Tonight’s game against a very athletic and aggressive Maxwell team was a great test for our boys to start the season. I felt we executed well during the game, but there are several ‘first game’ items that need to be addressed in the coming weeks of practice. Overall, we did an excellent job of playing to win in the second half, which is something we cannot work on in practice.”
