Preparing students to be lifelong learners and productive, responsible citizens.

Dear Students and Parents,

Another start to a great year of learning is right around the corner and I want to extend a warm welcome to our new Hayes Center School families. To those returning, I excitedly welcome you back! I am looking forward to working closely with all of you and am equally thrilled about what is to come this school year.

Together, we can achieve our district mission of inspiring children to be life-long learners and productive, responsible citizens. Please know that my door is always open. Or, if you prefer, contact me by phone (308-286-5600) or email at msoundy@hccardinals.org. We will be hosting an Open House on Wednesday, August 16th from 6:00 to 7:00 PM. The children are welcome to bring their school supplies to Open House as they explore their new rooms, or they can bring them on the first day of school. School begins on Thursday, August 17th at 7:55 AM and will dismiss at 1:00 PM. Preschool students will begin on Monday, August 21st. We are also looking forward to picture day on August 30th.

I would like to introduce to you the new teachers and staff who will be starting their tenure at Hayes Center this year.

- o Ellie Marquardt is returning to southwest Nebraska after teaching in Hastings for three years. She will be leading our 5th and 6th graders through their English Language Arts learning as well as 6th grade science. She moved with her family to Hayes Center in May.
- o Originally from Ogallala, Mr. Tanner Collins is continuing his educational career in Hayes Center after teaching and coaching at Perkins County School. He will be teaching Ag classes, a weight class, and coordinating and coaching FFA events.
- o 2009 graduate, Katie (Schwenk) Lawless will be joining our staff as a paraprofessional. Katie will also be coaching volleyball and helping with junior high sports.

For up-to-date information regarding upcoming events and other school-related news, please check out our school website at <http://www.hccardinals.org> or Facebook at **@HayesCenter PS**. If you haven't provided the school offices with updated contact information (phone number, mailing address, email address and emergency contact information) please consider doing so as soon as possible. Please also find the supply list in this packet.

On behalf of the staff, we are honored to have your students here at Hayes Center Public School and are looking forward to seeing you all soon. Here is to a great 2023-2024 school year!

Respectfully,

Megan Soundy

Annual Asbestos Notification

The Federal Government and the State of Nebraska require that all patrons and staff of each school building be notified each year of the asbestos condition within each building. This requirement is to insure a safe and wholesome environment for our children and employees.

Asbestos is a harmful substance when the fibers become airborne. Properly managed, this material will not become friable nor the fibers airborne. The federal and state government requires each school to have an asbestos management plan in place and the contents of which on file in the business office. This plan is open to the public and can be reviewed at any time with proper notice. This plan must be updated on a three year basis or when any changes occur in the asbestos material in the building.

The Hayes Center Elementary and old High School building have asbestos. These areas are being managed by a required operation and maintenance plan. These areas pose no threat to the safety and welfare of the patrons, staff or students in these buildings. A six month surveillance program is in place whereby the asbestos containing material is reviewed and inspected. This is to insure there is no change in its status since the last inspection.

If you have concerns, please call the business office at 286-5600 or come in and discuss the management plan. It is the school's intention to keep the environment safe and wholesome for all children, staff and patrons.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

**See a list of participating products at
[BTFE.COM/PRODUCTS](https://www.btfefor.org/products)**

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
